RESTAURANTS – CALA SAN VICENTE

La Tasca

This spot just at the bottom of the steps from the villas has recently been completely redecorated in a fresh, modern Mediterranean style. The menu is Italian-inspired, with a wide choice of pizzas, pastas, as well as meat, fish and vegetarian options. A highlight for families is their fun **Nutella pizza!**

Pepe's

Run by the same owners as La Tasca, but managed by a different team of waiters. It keeps a varied menu. The atmosphere is casual

and friendly. Also very convenient for our guests.

Hotel El Vicenç

- **U Mayol (ground floor):** great for breakfast or lunch in a relaxed setting.
- **El Vicenç Rooftop Restaurant:** fine dining by chef Santi Taura with stunning views – perfect at sunset.

⚠️ **PHARMACIES – Important Note**

We strongly advise **not to use the pharmacy in Cala Sant Vicenç**. Unfortunately, there have been multiple complaints due to extremely high prices and questionable practices. The establishment has been reported many times, but remains open for now.

💊 **Pharmacies On Duty (24h emergency service)**

In Spain, there is **always at least one pharmacy open after hours** (night and holidays), called “**Farmacia de Guardia**”. At the entrance of any local pharmacy: there will be a **poster with today’s duty pharmacy**.

You can check the nearest one using:

- Official website: www.cofib.es
- Local search: Farmacias de Guardia in Pollença – Farmacias.es
